SPEAKER BARRETT: LB 715 is advanced. (Gavel.) Order, please. Next bill, Mr. Clerk.

CLERK: Mr. President, 604 was introduced by Senator Dierks. (Title read.) The bill was introduced on January 23 of this year, referred to the Transportation Committee, advanced to General File. I have no amendments to the bill, Mr. President.

SPEAKER BARRETT: The member from the 40th Legislative District, Senator Dierks.

SENATOR DIERKS: Mr. Speaker and members of the body, I'm bringing to you today this LB 604. It is a bill that would...well, at the present time most people believe that all mobile homes and vehicles of this type are covered by the Certificate of Title Act. However, the Certificate of Title Act applies only to those vehicles that are required to be registered for operation on the roadways. And since all mobile homes and vehicles of this type which exceed the maximum width and length for vehicles are not eligible to be registered, these big trailer houses, mobile homes and so forth are not registered and many of them are transferred by a bill of sale or similar instrument. This raised the question as to the validity of noting liens in those cases where titles have been issued on these overdimensional vehicles that actually should not have been. There was another bill, LB 522, that was heard in committee the same day as LB 604, also requiring mobile homes, cabin trailers of all kinds to be titled. However, this bill had other provisions that would allow a mobile home to be identified for a year model, the year it was sold in other words. A vehicle of this type would be two, three or four years old or even older, and if it had not been titled before, that five year old vehicle would be classified as a new vehicle the day it was sold. There were some amendments offered to the bill
